A family organization has been created for the descendents of Erastus Bingham and Lucinda Gates.

This organization will:

- 1) Develop relationships between family members through reunions and other activities.
- 2) Make it easier, quicker and less expensive to share information.
- 3) Gather information into one central location to help prevent duplication of research already done.
- 4) Facilitate and discuss areas of research.
- 5) Locate all family members both living and deceased.

Please send copies of your family photos, life sketches, obituaries, family recipes, gedcom files, etc. to the address below. We hope you will take the time to register your family with the family organization.
